

SCHOOL SUPPLY KITS

Moss Park PTA will be using the convenient online services of *School Tool Box* for an easy and affordable back-to-school supply kit program. So many of our parents don't like to shop for school supplies and love having the option to simply buy a complete kit! Teachers love the kits too! *School Tool Box* offers brand name items such as Crayola® & Elmer's®. Each item is exactly what is on your child's supply list. There are also options for back packs, water bottles and lunch bags.

All kits will be delivered to the school, so you can either pick them up at Meet the Teacher on August 20th, or if you can't attend that event then PTA will deliver the kit to your child's classroom.

We hope this supply kit option makes it easier for some of our families!

Moss Park Elementary School

www.SchoolToolBox.com

Online Orders Only

On the right side under "Let's Get Started" choose "Find Boxes now"
then search for Moss Park Elementary

Orders must be placed online by June 26th

(Sorry - No late orders accepted)

Remember to order
the kit for the grade
that your child will be in
NEXT YEAR!
