Wonderland Gift Shoppes

making merry memories

Upon returning from Thanksgiving break, the Wonderland Gift Shoppe will be open. We will have 2 preview days followed by shopping days starting on December 2nd. The gift shop gives children a safe, supervised environment in which to choose gifts for family and friends. Students shop from a large selection of quality, family-style gifts at reasonable prices and our volunteers are there to help. Your teacher will let you know what day your student will be shopping. It is helpful if your student has a list of who they are expected to shop for so our volunteers can help them manage their budget wisely. Want to volunteer? Head to ptamossspark.com to sign up today!
