The Soaring Eagles Fun Run was an amazing success! We hope your students enjoyed it as much as we did! Thanks to the generosity of our amazing Eagle Families and Friends we have met and exceeded our goal.

The Fun Run would not be possible without the support of our amazing Leadership, Teachers and Staff! Thank you MPE for allowing us to hold this event!

We would also like to thank our Golden Eagles, Photographers, Grade Level Volunteers and the multitude of other volunteers that made this event not only possible but also a success!

Save the Date! Our award winning Holly Jolly Drive Thru will be returning to campus! We are excited to make the event bigger and better this year! Details to come!
