We finished out the year with some amazing fun and spectacular surprises! The weather behaved and the 5th grade celebration carnival was a success! Thank you to all the volunteers who made this event possible!

We then treated the entire school to performances by Curbside Circus! Students were given popcorn and a MPE souvenir pennant to enjoy with the show and celebrate a successful school year! Thank you to the volunteers who came out to decorate, pop popcorn and facilitate this event!

HAVE A GREAT
SUMMER!
