

You are INVITED to our PTA program for

GRANDPARENTS

Friday, Sept. 5th 6:00pm

at Moss Park Elementary School Cafeteria

9301 N. Shore Golf Club Blvd

Hope you can join me!

With Love from _____

Moss Park Loves our Grandparents!

Friday, Sept. 5th at 6:00pm

**Join us for a special evening where we
invite our Grandparents to our school!**

(extra parking available in the bus loop)

Whether your Grandparents live close by, far away, or are no longer with you, we hope you will take time to celebrate Grandparents Day to honor these special people that have influenced our lives. Please use the top part of this flyer to invite your Grandparents to join us (there is room for the students to sign their names & decorate.) If you don't have a Grandparent close by – you can invite one special relative (not parents) or other senior that is special to you.

Our Grandparents Day Program will start at 6:00pm in the cafeteria. Principal Cantrell and our PTA will thank our Grandparents and share information about our amazing school and ways that they can be a part of our Moss Park Family. We will have a couple of activities, entertainment by our Moss Park Voices, and enjoy a special Grandparents Day Cake!

For those of you that have Grandparents that live close by, but cannot attend – invite them to get involved and volunteer at the school. For those of you with Grandparents out of the area, or for those that are not able to volunteer, they can support our school through our Pledge Drive, Fun Run Pledges, or by something as simple as collecting BoxTops for Education! For more information, please go to www.PTAMossPark.com

Thanks for celebrating with us!
